The QAPP is loading to this site (below) on the portal.

I am trying to coordinate Sharepoint upload with Jim.

Cliff:

The QAPP and its appendices will be posted to the LPR sharepoint that is probably the cleanest way to provide the documents.

I will let Carlie handle the Authorization approval within Tierra. However, since Tierra is approving and paying for this work, I would appreciate getting a copy of the associated QAPP.

Thx

Carlie and Cliff,

Please find attached to this email the Task Authorization request to conduct the first round of high volume sampling in the Newark Bay Study Area.

The LPRSA authorization has been submitted separately.

AECOM will work on the office authorizations next week.

Please do not hesitate to contact me if you have any questions on this Task Authorization.

Thank you,

Kristen
